

HIGH EFFICIENCY COMPRESSED AIR & GAS SOLUTIONS

Warranty and safety
with pure!

Warranty program and safety with pure!

We are convinced of the outstanding quality of our premium products!

Energy efficiency, careful use of resources, the lowest possible CO2 emissions and maximum sustainability are top priorities at pure!

Our products ensure the highest possible energy efficiency, while our service and warranty program ensure durability and sustainability.

The pure! warranty program is valid for the following products or product groups

| | | |
|---|---|---|
|  |  |  |
| oil water separators | refrigeration dryer | tandem dryer Antares |
|  |  |  |
| heatless regenerated adsorption dryer | heat regenerated adsorption dryer | high pressure adsorber |
|  |  |  |
| oil vapor adsorber | nitrogen generators | oxygen generators |
|  |  |  |
| lab gas generators | chiller | carbon dioxide polishsystem |

All filter housings are covered by a pure! warranty of 10 years. Excluded from the warranty program are filter elements, wearing parts and service kits.
